

Option 3

This calls for a 10-man regional bracket with representation of 8 Metro wrestlers and 2 NWC wrestlers. This 10-man bracket can be completed in one day.

Option 4

Expansion of the region to a 16-man bracket. This would require wrestling to take place on Friday. The tournament would include 14 Metro wrestlers and 2 NWC wrestlers. Metro will gain double the entries into regionals as will NWC. A tournament of this magnitude will increase the exposure of our sport in the greater Seattle area. NWC will pay fees associated with Friday wrestling.
