

**17.30.0 REFUSING TO PLAY** - Individuals or teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

**PHILOSOPHY OF CROWD MANAGEMENT:** *Each WIAA member school is responsible for managing the student and adult spectators attending an event on behalf of that school. Member schools are expected to promote fairness, equity and safety during all contests. Standards of acceptable behavior at events must be developed and monitored at each event in which the school participates. Inappropriate behavior at an event will cause the school to follow the article regarding rule violations and penalties.*

**17.31.0 SUPERVISION OF TEAM/CONTEST** - During the sport season, all team/contestant activity (designated practice, turnouts, games, meets, playoffs) shall be under the supervision of a school district staff member.

**17.32.0 CROWD CONTROL RESPONSIBILITY** - Member schools are obligated to maintain proper crowd control at all interscholastic activities. The WIAA Executive Board shall have full authority to penalize any member school whose representatives or spectators may be adjudged, upon evidence presented, to have violated these obligations. The Association shall have no responsibility for crowd control or for the actions of school representatives.

**17.33.0 ALL STAR CONTESTS** - The WIAA will not sanction all-star contests.

**17.34.0 AUTHORITY OF DESIGNATED TEAM PHYSICIANS** - A school may designate a team physician or other designated medical authority to provide medical coverage/services for teams/participants from that school. When present at a contest involving a team/participant for which the physician is responsible, a team physician or designated medical authority shall have the following authority in addition to that normally associated with the practice of medicine and surgery:

17.34.1 To determine whether an injured participant for whom the designated medical authority has responsibility may continue in the contest. A coach, official, parent, another physician, or any other person may not overturn the designated medical authority's decision against further participation.

17.34.2 To interrupt a contest if, in the designated medical authority's opinion, continuation would post a significant threat to the safety, health, or life of a competitor, due to an injury to a competitor. Authority to suspend or terminate a contest rests with the game management.

17.34.3 To enter the field of competition as necessary to fulfill required responsibilities.

17.34.4 To consult with designated tournament medical authorities of medical decisions affecting competitors for whom the physician has responsibility.

17.34.5 To provide, when requested by an opposing team, medical coverage/services for that team in the absence of a team designated medical authority from that school.

## **18.0.0 STUDENT STANDARDS FOR INTERSCHOLASTIC ELIGIBILITY**

---

**PHILOSOPHY OF STANDARDS OF ELIGIBILITY:** *In keeping with the belief that participation in activities is a privilege and not a right, certain standards of eligibility have been established. Standards on age, residence and seasons limitations promote the Association's goals of fairness and equality of opportunity for all participants. Standards on scholarship, attendance and amateur standing support the Association's goals of educating youth and promote activities as an integral part of the total educational process.*

**18.1.0 STUDENT ELIGIBILITY CRITERIA** - All contestants must be eligible under the rules of the Washington Interscholastic Activities Association to participate in an interscholastic contest.

18.1.1 If a school district has more restrictive eligibility standards, the student will be held to the more restrictive standard.

18.1.2 This regulation does not restrict participation in practices.

**18.2.0 ELIGIBILITY LISTS** - No student shall participate in an interscholastic contest unless he/she is properly certified on an eligibility list on file in the principal's office or the office of the principal's designee.

18.2.1 Upon mutual agreement of schools or leagues, eligibility lists may be exchanged.

**18.3.0 PLAYERS ELIGIBLE FOR PARTICIPATION** - Only players who are currently eligible to participate in an activity may appear in the team uniform on the team bench, sideline, court, field or deck during the contest.

18.3.1 A student must be currently eligible to participate in an activity in order to participate in the pre-event warm-up.

18.3.2 A student must be on a school's eligibility roster on or before the 50 percent (%) date for that sport in order for a student to participate in postseason and state tournament playoffs for a WIAA member school. The 50 percent (%) rule dates are included in each sports section in the WIAA Handbook.

**18.4.0 AGE LIMITS - SENIOR HIGH SCHOOL** - A student shall be under 20 years of age on September 1 for the fall sports season, on December 1 for the winter sports season, and on March 1 for the spring sports season.

**AGE LIMITS - JUNIOR HIGH SCHOOL** - A student shall not have reached his/her 16th birthday prior to June 1 of the previous school year.

**AGE LIMITS - MIDDLE SCHOOL** - A student shall not have reached his/her 15th birthday prior to June 1 of the previous school year. Middle school is defined as a school with at least seventh and eighth grade levels.

- 18.4.1 Overage Student - A student who is ineligible to compete in middle or junior high level school athletics due to the age rule may participate in all sports in the public senior high school of the public school district provided both middle or junior high level and senior high school principals of the public school district concerned approve the student's participation. The middle level/junior high school principal shall certify to the senior high principal the student's scholastic eligibility.
- 18.4.2 Provided any student is deemed ineligible under this rule, he or she may be declared eligible pursuant to Article 19 of this handbook.

**18.5.0 STUDENT MEMBER OF A SCHOOL** - Students must be regular members of the school they represent in order to participate in an interscholastic athletic activity. Students are a "regular member" of a school if they are enrolled half time or more, exclusive of interscholastic athletic activities.

Definitions:

18.5.1 **Home Based Education** – Home based students must register with a public school district with the intent to home school. Home based students do not receive assistance from the school district, nor does the school district receive FTE funding or any other outside sources for them. Home based instruction students are categorized as regular members of a school. Therefore, to be eligible to participate in interscholastic contests/competitions, the student must:

- A. Meet both WIAA and school district eligibility requirement standards of all students, including transfer student requirements.
- B. Meet and adhere to the same team responsibilities and standards of behavior and performance of other members of the team/squad.
- C. Participate as a member of the public school in which service area he/she resides with his/her family unit. After registering with the school district as a home school student, a student is subject to the transfer rules if he/she subsequently changes schools.
- D. Provide the school administration acceptable documentation of any interscholastic eligibility standards required of all other student participants.
- E. Comply with WIAA and local school regulations during the time of participation.
- F. Comply with RCW 28A.225.010 (4).
- G. Provide to school authorities all required forms and documentation.

18.5.2 **Alternative Education** – Alternative education programs are academic learning opportunities that fall outside of the traditional school house format. These programs include, but are not limited to, Alternative Schools, Certified Educational Clinics, Charter Schools, Contract Based Education, Home Link, Online Schools, Parent/School District Co-Op, Virtual Academics, etc. A school district receives FTE funding for students involved in these programs. A full-time high school student in a public alternative school without athletics may participate at the resident public school that the student would normally attend or that student's public school of record.

18.5.3 **Private School Education** - A student who is a regular member in a private school may participate on the interscholastic teams of his/her resident public school if the student resides within the service area of that public school and if the interscholastic activity is unavailable to the student in the private school.

- A. Students in a private school must meet the same team responsibilities as public school team members and are obligated by the same standards of behavior and performance as other members of the team.
- B. This rule may not be appealed through the eligibility appeal process.
- C. In a school district with multiple middle schools, a full-time seventh (7<sup>th</sup>) or eighth (8<sup>th</sup>) grade student in a private school who qualifies under 18.5.2 shall be able to participate at the seventh (7<sup>th</sup>) or eighth (8<sup>th</sup>) grade public school that is nearest that student's current private school provided he/she resides in that school district.
- D. This rule may not be appealed.

**18.6.0 RUNNING START ELIGIBILITY STANDARDS** – A Running Start student's eligibility is through the public school of residence/record, where the student accesses the Running Start program.

18.6.1 **Member of the School** - The Running Start student must be included on the school's P-223 count submitted to OSPI. Running Start is considered a mainstream program. The school of eligibility must be the "School of Record" for the Running Start student and include the same transcript records as all other students.

18.6.2 **Regular Attendance** - The Running Start student must comply with the WIAA minimum eligibility standards of attendance and comply with local school attendance eligibility policies required of all other students. Note: Students who access the Running Start Program at the community colleges may find themselves on a different academic calendar from their high school for academic eligibility.

- 18.7.4 A student shall have passed the minimum number of classes as listed in 18.7.0 in the immediately preceding semester/trimester in order to be eligible for competition during the succeeding semester/trimester. The record at the end of the semester/trimester shall be final, except for those class-for-class replacement credits earned in a regular, accredited summer school program or alternative educational program accepted by the school district.
- 18.7.5 Incompletes may be made up for credit during the first five (5) weeks of the subsequent semester/trimester. The student shall be ineligible for interscholastic competition until the incomplete(s) are cleared.
- 18.7.6 **ACADEMIC SUSPENSION PERIOD** - A student who failed to make the grade requirements of 18.7.4 shall be placed on suspension. The student shall be ineligible during the suspension period. If, at the end of the suspension period, the student is passing in the minimum number of classes required above, the student may then be reinstated for interscholastic competition.
- A. The suspension period for high school students shall be from the end of the previous semester through the fourth (4<sup>th</sup>) Saturday in September in the fall or the first five (5) weeks of the succeeding semester/trimester.
  - B. The suspension period for middle level students shall be from the end of the previous semester through the first three (3) weeks of the succeeding semester/trimester.
  - C. Each student is eligible on Monday of the week following the end of the suspension period. Three (3) or more teaching days shall constitute a week.
- 18.8.0 PREVIOUS SEMESTER** - The student shall have been in regular attendance as a full-time student as defined in 18.7.0 in an elementary, intermediate, middle level, or high school during the semester/trimester immediately preceding the semester/trimester in which the contest is held.
- 18.9.0 REGULAR ATTENDANCE** - The student shall be enrolled and in regular attendance within the first 15 school days in a semester or ten (10) school days in a trimester at the start of the current semester/trimester in order to participate in interscholastic contests during the current semester/trimester. An enrolled student who receives semester/trimester grades will be considered to have been in attendance for that semester/trimester unless he/she is withdrawn from school.

**PHILOSOPHY OF RESIDENCE RULE:** *The WIAA residence rule is intended to create an equitable environment in which its member schools can compete, and at the same time prevent those abuses that taint the goals of interscholastic athletics. Primarily, the residence rule is intended to prevent athletic recruiting, prevent students from choosing schools for athletic reasons, and to promote the varied family units as the best environment for students to live in while attending school. Deterring students from running away from or avoiding imposed discipline, protecting school programs by discouraging athletic transfers and protecting the opportunities for bona fide resident students to participate are also viable reasons for the residence rule.*

**18.10.0 DEFINITION of RESIDENCE and FAMILY UNIT**

**RESIDENCE** - The place where the family unit has established its home and/or the place where the student is habitually present and to which, when departing, the student intends to return.

**FAMILY UNIT** - The adult(s) who has/have resided with, had legal custody, legal guardianship, or has/have acted in a parental capacity of the student and any siblings high school age or younger with whom the student resides for a period of at least one (1) year.

- 18.10.1 In order to be eligible to participate and/or represent a member school in an interscholastic contest, the student of that school must be residing within the boundaries of that school district and designated attendance area of the school. In the event a school does not have a designated attendance area, the WIAA Executive Board shall have the authority to designate an attendance area for such school. The WIAA Executive Board shall consider all relevant factors, including but not limited to, the natural or historical attendance area for such school, the geographical setting of the school in the municipality, and the nearby public school boundaries.
- 18.10.2 Unless otherwise provided, a student shall become varsity eligible at the school in which that student resides with the family unit, provided the student continuously attended that member school, or a feeder school of that member school, for a period of one (1) year.
- 18.10.3 A student who cannot meet the Residence Rule requirements would be eligible for all interscholastic competition below the varsity level, subject to 18.26.3.
- 18.10.4 Residence Area for private schools shall be a fifty (50) mile radius from the school address. NOTE: Refer to Article 3.1.1 for status of a private school district.

**PHILOSOPHY OF TRANSFER** - The Transfer Rule is preventative in nature and is devised to eliminate the incentive to transfer schools when the motivation is for athletic purposes and after a student has initially chosen the school of his/her choice while he/she has been living with the family unit. The Transfer Rule protects students who have previously participated in athletic competition at a member school from being replaced by students who transfer for athletic purposes and further protects students at other member schools from the effects of "school shopping" by students and "recruiting" by member schools and their agents. The Transfer Rule encourages fair play, discourages the excesses and abuses of promotion, and protects the integrity of interscholastic athletic programs for the member schools and their students. While recognizing the educational experiences that each member school provides, the WIAA member schools support the right of parents and students to attend a school of their choice. The WIAA member schools believe that once an educational choice has been made there must be a special set of circumstances as covered in the "hardship rule" to warrant athletic eligibility when a student transfer occurs without a commensurate move on the part of the family unit.

**18.11.0 TRANSFERRING STUDENTS** - After registering with, attending, or participating with a middle level or high school, students changing enrollment to/from one school district to another school district or from one high school to another high school within a multiple high school district shall be considered transferring students. In order to be eligible for varsity competition, transferring students must meet the transferring student requirements of 18.11.1, 18.11.2, 18.11.3, or be granted a waiver under 18.13.0 and 18.26.3. This section shall also apply to those students receiving home based instruction. NOTE: Refer to Article 3.1.1 for the status of a private school district.

18.11.1 A student who is ineligible in a member school may not become immediately eligible at another member school without completing the conditions of ineligibility.

18.11.2 The following students who are attending a member school shall be deemed to meet the residence rule requirement and transferring student rule requirements:

- A. A student whose transfer is based on a bona fide change of residence to a new school (district) due to an actual physical relocation of and with the entire family unit to a different residence and preceded by termination of all occupancy of their previous residence.
- B. A student attending a school outside of his/her residence district for one (1) calendar year or more is eligible thereafter at that school provided the enrollment/attendance is continuous.
- C. A student whose parent(s) or legal guardian(s) reside at different abodes as the result of a divorce or court approved legal separation is allowed one (1) transfer between parents or guardians after entering the ninth (9<sup>th</sup>) grade without being restricted to sub-varsity competition for one (1) year.
- D. A student who is under commitment to the Department of Social and Health Services, a student who is on juvenile parole status and a student who has been adjudicated as a ward of a juvenile court where residence is the result of assignment by the government entity charged with his/her care.
- E. A student who has a residence change because of the death of a member of the family unit or military deployment in order to reside with a relative.
- F. A seventh (7<sup>th</sup>) and/or eighth (8<sup>th</sup>) grade student who transfers to a school without a corresponding change of residence by his/her family unit and who meets all other conditions of eligibility shall be eligible at the new middle school when properly enrolled. High school eligibility is subject to the transfer rule and one (1) year of continuous enrollment.
- G. A student, except F-1 Visa students to a private school, upon enrollment to the initial first level of a private school within a 50-mile radius of the family residence from his/her public school of residence or his/her public school of residence from a private school within a 50-mile radius of the family residence.

If either the public or the private school declares its ninth (9<sup>th</sup>) graders as junior high athletes, the window of transfer is between the ninth (9<sup>th</sup>) and tenth (10<sup>th</sup>) grade years; if the school declares its ninth (9<sup>th</sup>) graders as high school athletes, the window of transfer is between the eighth (8<sup>th</sup>) and ninth (9<sup>th</sup>) grade years.

**H. CHILDREN OF "MISSION/OR KEY AND ESSENTIAL" MILITARY PERSONNEL – A military service member who is deemed by the Department of Defense or the Department of Homeland Security (US Coast Guard) as "mission/or key and essential" and who is further required to live within the boundaries of the military base, may upon arrival, enroll his/her child(ren) in a school district the family chooses. Such child(ren) shall be considered immediately eligible provided all other WIAA eligibility rules are met. Should the child(ren) change schools, all WIAA eligibility rules, including transfer rules, must be met.**

18.11.3 A student attending a member school for one (1) calendar year or more is eligible in the same school/school district during subsequent attendance, so long as the enrollment/attendance is continuous.

18.11.4 A student whose transfer is the result of participation in a one-year cultural or educational exchange experience with another country must file the cultural exchange form with his/her District Eligibility Chairperson.

- A. A student leaving this country for a one-year international exchange experience shall file the cultural exchange form with his/her District Eligibility Chairperson prior to departure and will be eligible at his/her school of origin upon his/her return, provided all other rules of eligibility have been met.
- B. An international exchange student coming to this country for a one-year cultural/educational experience is eligible at the varsity level for one (1) year only in the school in which he/she has been placed, provided all other rules of eligibility have been met and the student has not graduated from the high school equivalent in his/her home country. F-1 Visa students remaining for more than one (1) year will be considered transfer students. Graduated students can not compete interscholastically at any level (i.e., varsity or sub-varsity). This rule may not be appealed.

**18.12.0 SUB-VARSITY STATUS** - Ineligibility pursuant to section 18.11.0 shall be effective for one (1) calendar year from the date of enrollment. This ineligible status only prohibits a student from competing at the varsity level.

**18.13.0 RESIDENCE RULE WAIVER** - Transferring students, unless eligible via 18.10.0 through 18.11.0, shall be deemed to have transferred at will and must apply to the WIAA District Eligibility Committee for a waiver of the Residence Rule. Such an application shall be processed under the appeal provisions contained in Article 19 of this Handbook. The procedure for evaluating a transferring student's application will be as follows:

- 18.13.1 The student must meet all other eligibility requirements of Article 18 of this Handbook.
- 18.13.2 The student must establish a hardship as defined under the provisions of Article 19.1.0 and as determined by the District Eligibility Committee.
- 18.13.3 There can be no evidence that either the student transferred for the purpose of participating in interscholastic athletics or transferred as a result of having been recruited for the purpose of participating in interscholastic athletics.
- 18.13.4 In addition to the above requirements, the District Eligibility Chairperson shall, as an added condition of eligibility, require that a transferring student submit a WIAA Previous School Statement. A copy of the signed form must be retained on file in the school office for the duration of the student's attendance at that school.

**18.14.0 SEASON LIMITATIONS** - After entering or being eligible to enter the seventh grade students shall have six (6) consecutive years of interscholastic eligibility. If the seventh or eighth grade is repeated, and such repetition is based upon documented academic deficiencies by the school principal, the repeated year shall not count against the student's six (6) interscholastic competitive years. Home school students are required to provide documentation of academic deficiency to be verified by the school principal.

After entering or being eligible to enter the ninth (9<sup>th</sup>) grade, a student shall have four (4) consecutive years of interscholastic eligibility.

For the purpose of this rule, consecutive shall mean starting on a designated date and continuing without delay or interruption for four (4) consecutive years. For the purpose of interpreting this rule, interscholastic eligibility exists for a maximum of six (6) years after entering or being eligible to enter the seventh grade and four (4) consecutive academic years after entering or being eligible to enter the ninth grade, and as long as the total years of eligibility (grades 7-12) do not exceed six (6) years. Application of this rule shall not be determined by years of participation in individual sports or sport seasons.

- 18.14.1 Students who do not attend school or who fail to, or are deemed ineligible to participate shall forfeit their eligibility during that period and shall not be provided any additional period of eligibility except as may be provided through the appeal process in Article 19.
- 18.14.2 Students repeating the eighth grade at the middle level or ninth grade at the junior high level may participate in the senior high school of the same school district provided the principals of both schools involved agree. In such case, the middle level school principal shall provide certification of the student's scholastic eligibility to the high school principal.
- 18.14.3 Additional eligibility shall not be granted if the student has had six (6) years of interscholastic eligibility after entering or being eligible to enter the seventh (7<sup>th</sup>) grade or four (4) consecutive years of interscholastic eligibility after entering or being eligible to enter the ninth (9<sup>th</sup>) grade.
- 18.14.4 A student who has been defined as developmentally disabled may apply for a waiver of this rule by submitting a request for extended eligibility to the WIAA Executive Director. The WIAA Executive Director may grant a waiver of this rule provided the student does not pose a safety risk to him/herself or to other students.

**PHILOSOPHY OF GENDER IDENTITY PARTICIPATION:** *The WIAA allows participation for all students regardless of their gender identity or expression. The purpose of this policy is to designate a set of criteria in which student-athletes are able to compete on a level playing field in a safe, competitive and friendly environment, free of discrimination. Fundamental fairness, as well as most local, state and federal rules and regulations, requires schools to provide transgender student-athletes with equal opportunities to participate in athletics. This policy creates a framework in which this participation may occur in a safe and healthy manner that is fair to all competitors.*

**18.15.0 GENDER IDENTITY PARTICIPATION** - All students should have the opportunity to participate in WIAA activities in a manner that is consistent with their gender identity, irrespective of the gender listed on a student's records. Should any

questions arise whether a student's request to participate in a sex-segregated activity consistent with his or her gender identity is bona fide, a student may seek review of his or her eligibility for participation by working through the procedure set forth below. Once the student has been granted eligibility to participate in the sport consistent with his/her gender identity, the eligibility is granted for the duration of the student's participation and does not need to be renewed every sports season or school year. All discussion and documentation will be kept confidential, and the proceedings will be sealed unless the student and family make a specific request. For Additional information on Gender Identity, refer to APPENDIX 6.

- 18.15.1 **NOTICE TO THE SCHOOL:** The student and/or parents shall contact the school administrator or athletic director indicating that the student has a consistent gender identity different than the gender listed on the student's school registration records, and that the student desires to participate in activities in a manner consistent with his/her gender identity.
- 18.15.2 **NOTICE TO THE WIAA:** The school administrator shall contact the WIAA office, which will assign a facilitator who will assist the school and student in preparation and completion of the WIAA Gender Identity eligibility appeal process.
- 18.15.3 **FIRST LEVEL OF APPEAL:** The student will be scheduled for an appeal hearing before an eligibility committee specifically established to hear gender identity appeals. The WIAA shall schedule a hearing as expeditiously as possible, but in no case later than five (5) school business days of that member school prior to the first full interscholastic contest that is the subject of the petition, or within a reasonable time thereafter in cases of emergency, including, but not limited to, any unforeseeable late student enrollment. The Gender Identity Eligibility Committee will be comprised of a minimum of three of the following persons one of whom must be from the physician or mental health profession category:
- A. Physician with experience in gender identity health care and the World Professional Association for Transgender Health (WPATH) Standards of Care.
  - B. Psychiatrist, psychologist or licensed mental health professional familiar with the World Professional Association for Transgender Health (WPATH) Standards of Care.
  - C. School administrator from a non-appealing school
  - D. WIAA staff member
  - E. Advocate familiar with Gender Identity and Expression issues
- 18.15.4 **DOCUMENTATION:** The appealing student should provide the Eligibility Committee with the following documentation and information:
- A. Current transcript and school registration information
  - B. Documentation of student's consistent gender identification (e.g., affirmed written statements from student and/or parent/guardian and/or health care provider)
  - C. Any other pertinent documentation or information
- 18.15.5 **SECOND LEVEL OF APPEAL:** An aggrieved student wishing to appeal the Gender Identity Eligibility Committee decision shall file notice of appeal with the Executive Director of the WIAA on or before the tenth (10<sup>th</sup>) school business day following the date of receipt of the written decision of the Gender Identity Eligibility Committee denying the petition. An appeal to the WIAA Executive Director shall require the Executive Director to schedule a hearing to commence on or before the tenth (10<sup>th</sup>) school business day following the date of receipt of the written notice of appeal. Written notice of the time and place of the hearing shall be delivered to the petitioned appellant in person or by certified mail, with return receipt requested, no later than five (5) school business days of that member school prior to the date of the hearing.
- When there is confirmation of a student's consistent gender identity, the eligibility committee/WIAA Executive Director will affirm the student's eligibility to participate in WIAA activities consistent with the student's gender identification. The WIAA will facilitate the provision of resources and training for a member school seeking assistance regarding gender identity.

**18.16.0 FIFTH (5<sup>th</sup>) GRADE PARTICIPATION** – Fifth (5<sup>th</sup>) graders may **participate in any** middle level program **except football** if the total enrollment of the seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) grades in a middle school is less than 40 **on the first day of the season for that sport**. In that case, the sixth (6<sup>th</sup>) grade students of the school may participate **in any** seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) grade **program except football** during **that season**.

This participation does not count against the student's middle level eligibility.

**18.17.0 SIXTH (6<sup>th</sup>) GRADE PARTICIPATION**- Sixth (6<sup>th</sup>) graders may **participate in any** middle level program **except football** if the total enrollment of the seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) grades in a middle school is less than 60 **on the first day of the season for that sport**. In that case, the sixth (6<sup>th</sup>) grade students of the school may participate **in any** seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) grade **program except football** during **that season**.

This participation does not count against the student's middle level eligibility.

- 18.18.0 JOINING SEVENTH (7<sup>th</sup>) AND EIGHTH (8<sup>th</sup>) GRADERS WITH NINTH (9<sup>th</sup>) GRADE** - A school district which operates with an organization pattern other than a 6-3-3 may with league approval join the seventh (7<sup>th</sup>) and eighth (8<sup>th</sup>) graders from member schools with high school ninth (9<sup>th</sup>) graders for middle level competition in any one or all sports seasons. If there is more than one high school operating within the school district, each high school will serve the students of their attendance area.
- 18.19.0 MIDDLE LEVEL PRACTICE WITH THE HIGH SCHOOL TEAM**
- 18.19.1 If a sport is not offered by the middle school, middle level students may practice with the feeder high school as long as the number of weeks does not exceed the season limitation for middle level in that sport.
- 18.19.2 If a sport is offered by the middle school, middle level students may practice with the feeder high school teams during the time period that the seasons run concurrently.
- 18.19.3 The local school board must assume all responsibility for the middle level students practicing with high school students.
- 18.20.0 EIGHTH (8<sup>th</sup>) GRADERS PARTICIPATION WITH THE HIGH SCHOOL TEAM**
- 18.20.1 High schools with an enrollment equal to or less than one-half of the enrollment in the largest 2B school** may allow eighth (8<sup>th</sup>) graders from a WIAA member feeder middle school/junior high to participate in any high school program **for that classification cycle.**
- NOTE: 104 will be the enrollment cut-off for the 2016-2020 classification cycle.**
- 18.20.2 Provided all conditions of eligibility are met, any student will have four (4) years of eligibility after entering the ninth grade.
- 18.20.3 Combining contests in both the middle level and high school level, an eighth grader may participate in up to the maximum number of high school contest. Also refer to the specific sport sections in this WIAA handbook verify daily, weekly or season limitations.
- 18.21.0 NINTH (9<sup>th</sup>) GRADE PARTICIPATION** - Ninth (9<sup>th</sup>) graders may be declared on the WIAA membership form either in the middle level program or the high school program, on a sport by sport basis, regardless of the building in which the ninth (9<sup>th</sup>) graders are actually located.
- 18.21.1 A high school that has a squad of players consisting solely of ninth (9<sup>th</sup>) grade students must conduct its competition either under middle level school playing rules or under high school playing rules, depending upon whether it is playing a middle level team or a high school team.
- 18.21.2 A squad that consists of students from several grades (9th, 10th, 11th and 12th) will compete under high school playing regulations.
- 18.21.3 Ninth (9<sup>th</sup>) grade students, when declared in high school by the local school board, may form as many squads as desired and enter competition provided the squads are accepted by the league in which that school participates.
- 18.21.4 Ninth (9<sup>th</sup>) grade students in a high school can participate on any squad in that school and must adhere to all rules and regulations that apply.
- 18.21.5 When ninth (9<sup>th</sup>) grade is part of a middle level school program (6-3-3 organizational pattern), the ninth (9<sup>th</sup>) grade student shall not participate in any high school (10-12) athletic program if that sport is available in the middle level, except in the case of an overage student.
- 18.21.6 If ninth (9<sup>th</sup>) grade students are declared in high school by the local school board a ninth (9<sup>th</sup>) grade student has competed on the high school team, the student is ineligible for that school district's middle level school team in that sport during that school year.
- 18.21.7 Ninth (9<sup>th</sup>) grade teams from 9-12 high schools may play middle level teams, provided that (a) the principals of both schools agree to the contest(s); (b) the contest(s) is conducted according to middle level rules; (c) the high school squad consists solely of ninth (9<sup>th</sup>) grade students.
- 18.22.0 CONCURRENT SPORTS LIMITATION** - A middle level or a high school level student may be on only one (1) interscholastic sport roster per season.
- 18.22.1 The exception shall be for students participating in '1B' or '2B' high schools with local administrators and school board determining eligible participation in more than one (1) interscholastic sport per season at that high school.
- 18.22.2 The exception shall be for the student who competes during an alternate season, qualifies for the state tournament, and is required to practice prior to competing in the state tournament. (Example: A student represented his/her school in fall tennis and qualified for the state tournament in the spring. During the spring season this same student represented his/her school in track. Prior to the state tennis tournament, the student is required to have a minimum number of practices, during which time the student is also participating on the track team. In the event that the student also qualifies for the state track meet, state event schedules will not be restructured in order for the student to compete in both state events.)
- 18.22.3 This does not prohibit a student from being a cheerleader while concurrently participating in another sport.

**18.23.0 NON-SCHOOL PARTICIPATION** - Students may participate on a non-school team or teams or in a non-school instruction program while also participating on a school team.

18.23.1 Schools may not give students special treatment or privileges on a regular basis to enable them to participate in non-school athletic activities, such as reduced practice times, special workouts, late arrivals, or early dismissals. Regular is defined as being more than once.

18.23.2 Students shall not compete in the uniform of the school at non-school events.

School uniforms, football helmets and shoulder pads may be worn ONLY during the WIAA season for that sport except during Washington State Coaches Association feeder or all state contests. NOTE: Uniforms are considered to be the school issued contest uniform (practice or shooting shirts are not classified as school uniforms) and are defined in the adopted rule book for each specific sport.

18.23.3 Participation on a non-school team or program cannot be a requirement or condition of participation on a school team.

**18.24.0 AMATEUR STANDING** - A student who represents a school in an interscholastic sport must be an amateur in that sport. An amateur student-athlete is one who engages in athletics for the physical, mental, social and educational benefits, and to whom athletics is an avocation and not a source of financial reward.

18.24.1 In order to maintain amateur standing in that sport under WIAA jurisdiction, the student-athlete may not:

A. Accept merchandise or in-kind gifts of more than \$500 in fair market value per sport during any one calendar year August 1 through July 31.

1. Reduced membership fees or reduced user fees from an athletic club, recreation center, golf course, etc., do not count toward this \$500 limit.

2. Defined games of chance are exempt from this rule.

3. Awards that are permitted - Awards to athletic teams or to individual members of such teams under the jurisdiction of the Association may be made by a member school in the form of letters, insignias, certificates, medals, and/or trophies as are customarily emblematic of athletic competition and whose intrinsic values are insignificant

B. Accept cash awards in that sport.

C. Enter competition under a false name.

D. Accept payment of expense allowances over the actual and necessary expenses for the athletic trip (NOTE: Entry fees are not considered a reimbursable expense.)

E. Play on a college team. A student-athlete may try out and/or participate against a college team but may not represent a college team in that sport.

F. Sign or have ever signed a contract to play professional athletics in that sport.

G. Play or have ever played in a competition or against any professional team in that sport or on any team that is under the jurisdiction of a professional sports team or franchise. "Jurisdiction" means that funds from the team or franchise or coaching by any member of the sports team or franchise have been provided..

H. By sport receive or have ever received, directly or indirectly, a salary or any other form of financial assistance (including scholarships, educational grants-in-aid, or any of his/her expenses for reporting to or visiting a professional team) from a professional sports organization.

I. Advertise, recommend or promote a commercial product or service.

18.24.2 Provided he/she is not representing a WIAA member school, a student-athlete may participate against professional and college scoring athletes in the following sports: bowling, cross country, golf, gymnastics, swim/dive, tennis, track and field, and wrestling.

18.24.3 Amateur standing will not be jeopardized by instructing, supervising or officiating in any organized youth sports program, recreation, playground or camp activities whether the student-athlete is paid or not paid for these duties.

18.24.4 A WIAA member school may not permit nor authorize the use of an individual student's name and/or picture, a school or school team name and/or picture(s) to directly advertise, recommend or promote a commercial product or service.

18.24.5 Use of a Student-Athlete's Name in Advertisements that are Congratulatory in Nature - A business can place its trademark on the advertisement only; the advertisement cannot include a reproduction of the product with which the business is associated.

18.24.6 A student who forfeits amateur status may apply to the Executive Director for reinstatement.

**18.25.0 USE OF ILLEGAL SUBSTANCES** – School and WIAA rules and regulations are intended to discourage the use of alcohol, tobacco, legend drugs, controlled substances and paraphernalia and to encourage the use of school and community resources. School and community resources should be identified for students who have had a violation and seek help or who are referred for assessment.

18.25.1 **Alcohol and tobacco** - Each WIAA member school shall adopt reasonable rules and regulations pertaining to the use of alcohol or tobacco products that are specific to the middle or high school levels.

18.25.2 **Legend drugs and controlled substances** – Penalties for the possession, use or sale of legend drugs (drugs obtained through prescription, RCW 69.41.020-050) and controlled substances (RCW 69.50) shall be as follows:

1st Violation - A participant shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. Ineligibility shall continue until the next sports season in which the participant wishes to participate unless the student accesses the assistance program outlined in B (below.)

An athlete who is found to be in violation of the Legend drugs and controlled substances rule shall have two options.

- A. The athlete will be ineligible for participation in contests for the remainder of that interscholastic sports season and must meet the school's requirements in order to be eligible to compete in the next interscholastic sports season. The school principal will have the final authority regarding the student's participation in further interscholastic sports programs.
- B. The athlete may choose to seek and receive help for a problem with use of legend drugs or controlled substances. Successful utilization of school and or community assistance programs may allow him/her to have eligibility re-instated in that athletic season, pending recommendation by the school.

2nd Violation - A participant who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 shall be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

3rd Violation - A participant who violates for a third time RCW 69.41.020 - 69.41.050 or of RCW 69.50 shall be permanently ineligible for interscholastic competition.

**18.26.0 HARDSHIP** - The WIAA District Eligibility Committee and the Executive Director are given the authority to make specific exceptions to those student eligibility regulations contained in Article 18 provided such exceptions are based upon hardship conditions that are deemed to have contributed in a significant way to non-compliance with specific regulation(s) that may be appealed.

18.26.1 Any waiver of student eligibility regulations shall be based upon extenuating circumstances, beyond the student's, or where applicable, the parents' or legal guardian's control, that are deemed to have significantly influenced or contributed to the cause of the student's non-compliance to the eligibility regulation(s) involved. (The following criteria shall be used to determine if a hardship exists):

- A. A hardship exists only when some unique circumstances concerning the student's physical or emotional status exist and only when such circumstances are not the result of acts or actions by the student or family unit.
- B. There must be no reason to believe that the decision and/or the execution of the decision concerning the student's transfer was for athletic purposes.
- C. The circumstances must be totally different from those that exist for the majority or even a small minority of students (e.g., usual maturation problems or family situations that do not cause severe and abnormal emotional problems, and academic or athletic deficiencies in a school's curriculum or co-curricular activities do not constitute a hardship).
- D. The burden of providing evidence that a hardship exists shall be borne by the student.
- E. There shall be a direct, causal relationship between the alleged hardship and the student's inability to meet the specific eligibility rule(s).

18.26.2 Exceptions to student eligibility regulations based upon a hardship shall be subject to the following limitations:

- A. Loss of eligibility in itself or an injury in itself that prevents the student from being able to participate are not to be considered hardships. In addition, attending a school that does not offer interscholastic activities is not to be considered a hardship, nor shall it justify extending eligibility beyond the four (4) consecutive year period allowed.
- B. A hardship exception shall not be granted if there is sufficient evidence to make it reasonable to believe that the non-compliance to the eligibility rule in question was motivated by the student's, parents' or school's efforts to gain a desired athletic outcome or to intentionally circumvent a rule, or

- C. To grant additional eligibility based upon a hardship condition, a student must demonstrate that normal progression toward graduation has been significantly interrupted as a result of a long-confining illness (which can include a learning disability), an injury, or a family hardship, and that the interruption prevented the student from graduating and participating in four (4) consecutive years.

18.26.3 The District Eligibility Committee shall waive the junior varsity rule in the case of a transfer student for a specific sport if the petitioner can provide documentation in one or more of the following criteria on Form 5 in the WIAA Eligibility Packet.

- A. A transferring student has not participated at the school level or club/community equivalent in that sport for one (1) year prior to his/her transfer.  
For the purposes of this rule, participation is defined as: Participation in ten (10) or more coach organized (or led) practices or one (1) contest at the school, club or community level in that sport.
- B. A transferring ninth grade student from a middle level school to a four year high school shall not have played on an eighth grade team or club/community equivalent.
- C. A transferring tenth grade student from a junior high school to a three year high school shall not have played on a ninth grade team or club/community equivalent.

**18.27.0 EJECTION FROM CONTEST** - Conduct resulting in an ejection from an interscholastic contest administered by game officials, coaches or school administrators shall result in the following:

18.27.1 For the remainder of the contest in which the ejection occurred:

- A. When a student is ejected, the coach continues to be responsible for the student. The student shall remain with the team.
- B. When a coach or other adult school representative is ejected, the coach or other adult school representative must vacate the playing area (gymnasium, field, and stadium.) If a head coach is ejected, an assistant coach or any school district personnel authorized to supervise students may assume the head coaching responsibilities for the remainder of the contest. If no other school district personnel are on site, the contest will be terminated and forfeiture declared.

18.27.2 The school principal/designee is required to submit an ejection report online to the WIAA office within 24 hours following the completion of the contest in which the ejection occurred.

18.27.3 The first ejection of the season shall result, at a minimum, in the ejected person (student, coach, other school representative) being ineligible until after the next school contest in that sport at the same level of competition from which the person was ejected.

A. An ejection in boys soccer due to violent conduct or abusive language shall result in a suspension of three matches.

- 1. Violent conduct is defined as the commission of a violent act against an opponent, official, spectator, teammate or other individual(s) when the ball is in or out of play.
- 2. Abusive language is defined as harsh or insulting language or profanity directed towards another individual.

- B. A jamboree does not count as a contest for the purposes of meeting the suspension period.
- C. A student who is on suspension may be on the team bench, but not in the school uniform, during the suspension period.
- D. Any coach ejected shall not be involved in coaching to any degree during the game from which he/she is suspended and shall not be allowed into the facility (gymnasium, field, stadium, locker room or hallway, etc.) during the suspension period.

18.27.4 Should a participant be unable to complete a suspension during the sports season in which the ejection occurs, the suspension shall be carried over into the participant's succeeding season of participation. In order for the suspension in the succeeding season of participation to meet this requirement, the participant must be a member of the team for the entire season for that sport.

18.27.5 The second ejection in the same sport and season shall result in ineligibility for the remainder of the season of that sport.

18.27.6 For aggressive physical contact with an official, the WIAA Executive Director has the authority to suspend the individual from further competition for a period not to exceed one (1) calendar year.

18.27.7 Any school with five or more ejections during a school year must follow the protocol below:

- A. The first year that a school has five or more ejections, the school must submit a written plan of action to reduce the number of ejections prior to the proceeding September WIAA Executive Board meeting.

The written plan must include the following elements: Accountability, Action Plan, Evaluation Plan, Specific Expectations and Timeline.

- B. The second year that a school has five or more ejections, the school principal/designee must present the school's sportsmanship plan in writing directly to the WIAA Executive Board during the September WIAA Executive Board meeting.
- C. The third year that a school has five or more ejections, the school principal/designee, coaches and student athletes representing the school must present the school's sportsmanship plan in writing directly to the WIAA Executive Board during the September WIAA Executive Board meeting.

## **19.0.0 STUDENT APPEALS OF INELIGIBILITY**

- 19.12.3 A copy of the written decision of the Executive Director in each case shall be sent to the petitioner-appellant as expeditiously as possible but in no case later than five (5) school business days of that member school following the date of the conclusion of the hearing or time period for seeking additional information.
- 19.12.4 Any student who remains aggrieved by a decision of the WIAA Executive Director and/or WIAA Executive Board may appeal to the Superior Court pursuant to RCW 28A.645.010 through RCW 28A.645.030, as now or hereafter amended.
- 19.13.0 APPEAL PROCESS FOR EJECTION FROM CONTEST** - An appeal of the penalty shall proceed as follows:
- 19.13.1 **Ejections resulting from a judgment call by a contest official may NOT be appealed.** Ejections resulting from a misinterpretation or misapplication on the part of the ejecting contest official(s) may be appealed. Pictures, video and/or replay recording devices may not be used to determine whether an ejection was due to judgment, misinterpretation or misapplication on the part of the ejecting contest official(s).
- 19.13.2 Verbal notification of the intent to appeal shall be given to the contest official by the coach of the ejected person prior to the "next live ball" or resumption of play. The verbal notification shall be based on an identified misapplication or misinterpretation of a specific rule.
- 19.13.3 The principal/designee of the ejected person must contact the WIAA administrative staff within one (1) school business day after the conclusion of the contest in which the ejection occurred to verify a misapplication or misinterpretation of the rule. If the school is not a member of a league, the appeal will be filed directly with the District Board.
- 19.13.4 The principal or designee may stay the suspension, but may not vacate the ejection, and will report his/her decision and rationale to the school's league.
- 19.13.5 The hearing procedures, as outlined in 28.0.0, shall be followed. The league shall review and either affirm the decision of the principal/designee with the understanding that the one (1) contest suspension shall not be assessed or overrule the decision of the principal/designee, whereby the ejected person shall be required to serve the one (1) contest suspension. Any league action shall be in writing and specify the reasons for the league decision. Failure of a school for any reason to enforce the regulation and/or decision of the league will be considered a school violation.
- 19.13.6 For tournaments, qualifying and/or state events any appeal will be heard by the games committee, providing the appeal was approved by the school principal/designee. A decision will be given no later than two (2) hours before the next event in which the ejected person might participate.
- 19.13.7 Providing the games committee finds misapplication or misinterpretation of a rule, the penalty may be vacated.
- 19.13.8 Failure of the school to enforce the regulation or decision will result in the disqualification from and forfeiture of all remaining contests of that event. Due process procedures of the WIAA Handbook and Rule Violations and Penalties will apply to any further action.

19.13.9 The severity of the penalty for the second ejection or for aggressive physical contact may be appealed to the WIAA Executive Director upon presentation of rationale and written documentation signed by the WIAA member school principal or superintendent desiring and supporting penalty modification within two (2) school business days after the conclusion of the contest in which the ejection occurred.

19.14.1 Whenever the eligibility of a student is protested in the manner described above, a representative of the school which the student attends shall notify the student of his/her protested ineligibility and right to apply to the WIAA District Eligibility Committee as prescribed in Article 19 of the Handbook concerning his/her eligibility.

19.14.2 In addition to the above, the District Eligibility Chairperson may appoint a Fact Finder to investigate matters pertaining to the protest. Refer to Appendix 11, Procedures for WIAA Fact-Finding.

19.14.3 In addition to the above requirements, the District Eligibility Chairperson may, as an added condition of eligibility, require that a transferring student submit a WIAA Previous School Statement. This form must be signed by the principal of the school from which the student has transferred, indicating the principal's approval of athletic eligibility for the transferring student. A copy of the signed form must be retained on file in the school office for the duration of the student's attendance at that school.

19.14.4 Unless such written protest is submitted by that member school at least seven (7) school business days before the student's first opportunity to participate in an interscholastic contest, the student shall remain eligible during the appeal process provided for in Article 19 of this Handbook.
