

FAQ WIAA Training 12/1: Arbiter Partners and Extensions

1) FamilyID

- Not currently integrated into ArbiterGame but we are hopeful that will be ready for 2021-22 school year.
- Student registration platform
- <https://hello.familyid.com/for-schools>

2) DudeSolutions

- This integrated platform helps with facility management.
- Add your facility department to your ArbiterGame account so they can track facility requests.

3) ArbiterLive

- Fan facing platform offered by Arbiter that comes with every ArbiterGame account.
- Fans can follow teams and receive notifications related to that team.
- Keep track of schedules and scores.

4) VNN, MaxPreps, and other schedule hosting platforms

- Arbiter partners with many companies that use an API to pull over our schedule information. If you have a company that you work with that hosts your schedules for the public, feel free to ask them if they have an API with ArbiterSports.
- If your VNN site does not match what is shown in Arbiter, notify your VNN rep.
