

FAQ WIAA Training 12/8: ArbiterGame Reports

1) There are many reports available within ArbiterGame. The reports are broken down into categories.

2) Financial Reports

- Many business offices use these reports to reconcile payments
- <https://arbitersports.force.com/schools/s/article/ArbiterGame-Reports-Financial>

3) Transportation Reports

- The reports can be used to keep track of bus schedules. Often times schools send the transportation reports to the bus companies they use.

The image shows a software interface with several report categories. The 'Schedule' category is highlighted with a red border, and a red arrow points to the 'Transportation' link within it.
