

FAQ WIAA Training 1/19: New Payments Screen in ArbiterGame

Arbiter has released its new and improved payments screen available to all schools using ArbiterGame.

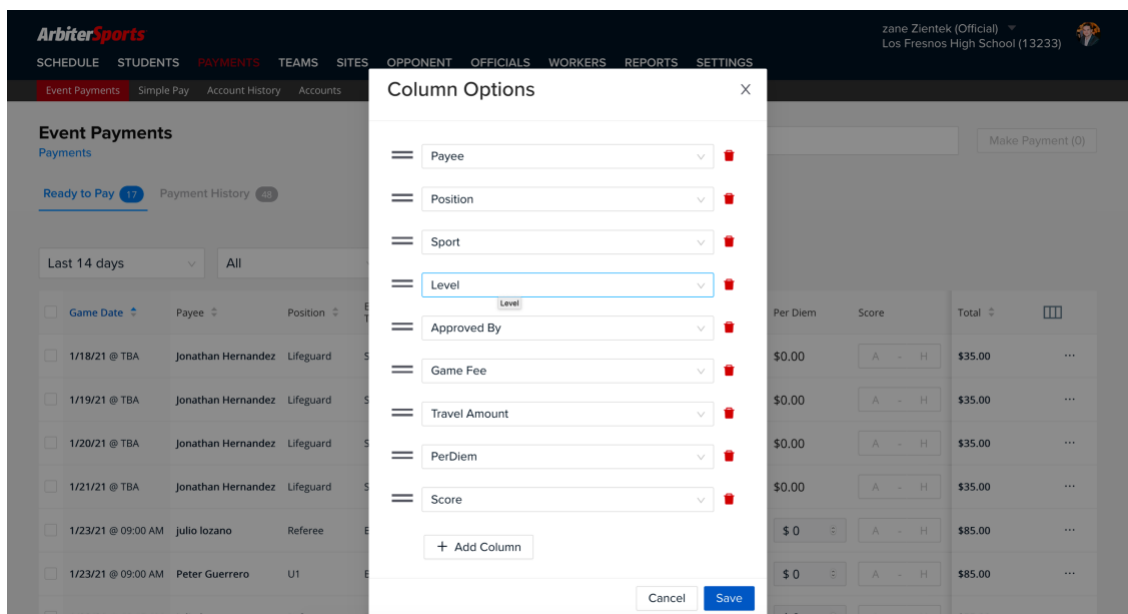

- This new payments screen would be used by WIAA schools to make payments to event workers or to make payments to officials outside of the officials paid by the WOA.
- For more information regarding the new payment screen and the different features available to users, please visit the help article below. <https://arbitersports.force.com/schools/s/article/Paying-Officials-Through-ArbiterGame>
- New features allow for quick payment to a large group of payees and easy reconciling directly from the payment history tab.
