

## FAQ WIAA Training 1/26: Adding Scores in ArbiterGame

### 1) Arbiter has now given schools the ability to add scores directly from the schedule page.

- If the official enters the score first, the school will see the score the official entered but be able to adjust if necessary
- The Home and Away team is indicated by "A" and "H".
- Once you add a score, you can hover over the score to see if it is Home or Away.
- If the home team adds the score first, the visiting team will see that score on their end.
- You cannot add decimal numbers, letters, or fractions. It must be a whole number.
- The scores will flow to ArbiterLive as well as VNN and other partners who collect our schedules and scores.
