# 2017-18 Bound for State Regulations

February 1-3, 2018

Narrows Plaza Bowl, University Place

**Changes from the 2016-17 Bowling Regulations are indicated in bold type and shaded.**

**Sanctioning:** This tournament will be conducted under the auspices of the WIAA and the United States Bowling Congress (USBC). The tournament lanes must be certified by USBC.

**Practice Rounds:** Practice may be allowed at the bowling facility prior to the start of the tournament. Any expenses involved with practice will be paid by the school participating at the facility. One to two lanes may be available for limited warm up during the event.

**Entries/Allocations:** Team allocations are made to each WIAA district.

**Team Definition:** A team roster shall consist of no more than seven (7) bowlers with five (5) bowling at any given time during any game.

**STATE TOURNAMENT FORMAT:**

The tournament will consist of two (2) days of competition. The first day of competition will consist of Individual and Team Competition. Individuals will be awarded on the first day.

Individual Qualifiers: Each WIAA District team allocation will be multiplied by a factor of two (2) to determine the individual qualifying places for each District qualifying meet; i.e. 1 allocation = 2 individuals, etc. Individual qualifiers come from teams that do not qualify for the state tournament.

All individual competitors and teams will bowl six regular games on the first day with total pin count used to determine the individual champion. Individuals must bowl all six games to be eligible for the individual title. The top eight individuals will be awarded medals.

All eight teams will qualify for the second day of competition.

A round robin format will be utilized on the second day. Each team will bowl 14 Baker games. The total pin count from day one and two will be used to determine the top four teams that will receive trophies.

- Ties

Following the final round of competition on Friday if there is a tie for the final position, the teams that are tied at the end of the second round will bowl a Baker game to break the tie. If the teams are still tied after the Baker tiebreak game, a second Baker tiebreak game will be played. This process will continue until the tie has been broken.

If the top two teams are tied at the end of the Baker round on Saturday, a Baker game between the two teams will be played to break the tie. The process will continue until there is a winner.

- **Baker Format:** The Baker system format places emphasis on the team effort rather than individual accomplishment of team members. All team members follow each other in regular order to bowl a single game. For a 5-player team, Player #1 bowls frames 1 and 6; #2 bowls 2 and 7; #3 bowls 3 and 8; #4 bowls 4 and 9 and, #5 bowls the 5<sup>th</sup> and 10<sup>th</sup> frames. The order of bowling is set by the coach and may be adjusted at the conclusion of any game. The combined effort of the team constitutes a game.

2. Scoring: Team Scores will be determined by adding the scores from the five bowlers for each team per game, with a running tally posted.
3. Scoring Procedure: Scoring cards shall be given to the coach of each competing team (one card for each game).
  - a. Coaches shall sign the score cards game-by-game to validate the score.
  - b. The score cards must be submitted by the coach to the tournament manager after each game.
  - c. The combined totals from day one and day two will be added together for the state tournament grand total. The teams with the four highest grand total scores will receive trophies.
  - d. Ties – If the top two teams are tied at the end of the second round, a Baker game between the two teams will be played to break the tie. If the teams are still tied after the Baker tiebreak game a second Baker tiebreak game will be played. This process will continue until there is a winner.
  - e. Individual Awards – The top eight individuals will be awarded medals.
