The COLUMBIA BASIN BIG 9 Athletic Conference has declared this week our winter sports official's appreciation week.

Although our games are competitive in nature, and sometimes we forget to give the respect you deserve, we realize we can't play our games without you.

We know that you do your best to fairly officiate our contests, so Thank You for being positive role models and let all of us remember to be good sports win or lose.

Thank you for your service to the student-athletes and communities of the Big 9.
