**TO: Athletic Director / Cross Country Coach**  
**FROM: Brian Smith**  
**SUBJECT: Wheelchair and Para-Athlete Divisions State Cross Country Championships**

---

The WIAA member schools and the state cross country meet management are excited to offer a Para-Athlete exhibition division at the 2019 State Cross Country meets in Pasco. It is important that these athletes have an opportunity to compete in interscholastic activities within our schools. To this end it is imperative that each school sending a competitor take the time to make sure that each athlete is eligible under both WIAA and school rules. All athletes are required to demonstrate compliance with those rules of eligibility in Article 18 of the WIAA Handbook and any corresponding school rules and regulations.

**\*A wheelchair athlete is anyone with a permanent physical disability. A statement of disability must be verified by a licensed physician and maintained on permanent file at the school.**

**\*An ambulatory athlete shall have a permanent orthopedic, neuromuscular or other physical disability. The ambulatory division will include Visual Impairment, Cerebral Palsy, Dwarfism, Amputees and similar physical disabilities. Permanent orthopedic impairment shall be verified by a licensed physician and maintained on permanent file at the school.**
