PHILOSOPHY OF APPENDICES

The appendix section is intended to provide a historical perspective and guidance for WIAA member schools. It was never intended to be viewed as WIAA rules or policy and should not be used as such. The WIAA staff and executive board continually review this section of the handbook to determine what changes, additions, and deletions should be made to insure that it accurately reflects the WIAA's current rules, policies, procedures and philosophies.

APPENDIX 1 – WIAA POSITION STATEMENT OF NON-DISCRIMINATION

The Washington Interscholastic Activities Association does not and shall not discriminate on the basis of race, color, religion, gender, gender expression, age, natural origin, disability, marital, sexual orientation or military status, in any of its activities or operations.

APPENDIX 2 – POSITION STATEMENT ON BOYS' AND GIRLS' PROGRAMS

WIAA is committed to strong athletic programs for all of its students. This means that there should be separate and equal programs for boys and girls. School districts are urged to work toward this goal.

In view of the 1975 State Attorney General's opinion, the opinion of WIAA attorneys, and considering 1983 and 1985 interpretations of Title IX regulations, the following policy statement is made:

1. If there are within a single sport two teams, one for boys and one for girls, boys should play on the boys' team and girls should play on the girls' team.
2. School districts may maintain separate athletic teams for boys and girls if it can be shown that it is the best way to provide students of both sexes an equal opportunity to engage in a sport (e.g., Tackle Football for boys, Volleyball for girls), and if the two separate programs provide substantially equal opportunities for competition, instruction, publicity and awards.
3. If school districts do not provide similar or equal programs for boys and girls, members of the opposite sex cannot be denied the privilege of turning out for a given team; and no school or school district may impose sanctions of any kind upon a coeducational team.
4. In addition to developing strong athletic programs for boys and girls, school districts should be considering coeducational programs in appropriate sports.
