

SPORT RULES AND REGULATIONS

17.0.0 GENERAL SPORT RULES

PHILOSOPHY OF GENERAL SPORT RULES: *As with all of the rules and regulations of the Association the general rules and regulations for sports are adopted by the membership via their representation on the WIAA on the WIAA Representative Assembly.*

17.1.0 SCHOOL YEAR - The school year is defined as August 1 until the final spring state tournament has been completed (high school) or until after the completion of the final sports season (middle level).

17.2.0 IN SEASON - DEFINITION - In season will be the first day of turnouts for that sport and will conclude with the final day of the state event for that sport in that classification at the high school level or a maximum of twelve consecutive weeks as determined by the league at the middle level.

17.2.1 In the absence of a sport being offered by the middle level school, a maximum of twelve (12) consecutive weeks as determined by the school board within the high school season dates shall apply.

17.3.2 When individuals/teams play in the alternate season, a **postseason qualifying event must also be held during the alternate season**, and at least one (1) individual qualifies for **the final culminating event** in that sport, the individuals/teams are required to have a minimum of ten (10) days of practice prior to any subsequent competition. Practices are not required in golf, but are allowed. **Individuals/teams may not exceed twenty (20) practices prior to first round of the final culminating event.** These practices (including golf) may **begin on April 1 or on another date as established by the WIAA Executive Board.** Each member of the team is allowed to practice. Schools may schedule two (2) contests after the first ten (10) practice days provided these contests would not exceed the **season** limitation. Only players that have had ten (10) days of practice may take part in these contests.

17.3.3 During the additional practice period all regular rules and regulations apply.

17.3.4 Contests that are conducted during an alternate season must meet all regulations pertaining to that sport.

17.4.0 POSTSEASON CONTESTS - Postseason contests are those contests held in order to qualify for State Tournament and are played after the regular season has terminated.

PHILOSOPHY OF THE OUT-OF-SEASON REGULATIONS: *The out-of-season regulations are established to limit the involvement of the school and school coach to the WIAA designated season, thereby providing student athletes the opportunity to participate in a wide range of activities during the school year and ensuring that each school has an equal opportunity to provide fair competition.*

17.5.0 OUT-OF-SEASON - DEFINITION – Out-of-season is that time during which paid or volunteer coaches cannot coach present or future squad members.

MIDDLE LEVEL – Out-of-season for middle level sports shall be from August 1 until the first day of the specific sport turnouts and from the conclusion of the final league contest of that specific sport season until the conclusion of the middle level spring league schedule, or the final spring school contest in the event the school is not a member of a league in that sport, or the final day of the high school spring state championships, whichever is later.

- A. School uniforms may be worn ONLY during the WIAA season for that sport except during Washington State Coaches Association feeder or all state contests. NOTE: Uniforms are considered to be the school issued contest uniform (practice or shooting shirts are not classified as school uniforms) and are defined in the adopted rule book for each specific sport.

 2. Participating in fundraising activities cannot be a requirement, incentive for, or a condition of participation on a team.
 - D. Organization or implementation of the wrestling weight management program is not considered to be the one (1) organizational meeting.

 - 17.9.2 Participation in a sport camp or clinic cannot be a requirement or condition of participation on a school team.

PHILOSOPHY OF SUMMER ACTIVITIES: *Students may be afforded the opportunity to participate in activities during the summer if they so choose. Students should also be provided with an opportunity to participate with their families during the summer or simply take a break from sports prior to the start of fall sports turnouts. 17.12.0 PRACTICE REGULATIONS - School sponsorship or promotion of practice and/or participation is restricted to the WIAA designated season for that sport. Several practice regulations that apply to all sports during the school year are as follows:

- 17.12.1 **PRACTICE DEFINITION** – Practice is defined as a school scheduled **in-person** team physical activity designed for the preparation of athletes for the ensuing sports season and must be conducted under the supervision of the school coach. Participation in physical education classes does not constitute a practice.

- 17.12.2 **MINIMUM PRACTICE REQUIREMENT:** Each student is required to complete the minimum number of practices in a specific sport the day before participating in a game. The minimum number is included in the specific sport sections of the WIAA handbook.
- 17.12.3 For the purpose of meeting the pre-contest practice requirements, an athlete must be medically cleared by a medical authority licensed to perform a physical examination (also refer to 17.11.2) to fully participate in practice. An individual may meet pre-contest practice requirements only when practicing during regular team practices.
The intensity and duration of each athlete’s participation in practice will be determined by the coach of that team.
- 17.12.4 Practice shall be limited to each sports season as defined under each sport. Up to five (5) practices from one (1) sport may be transferred to another sport except football in the same season provided practice in the succeeding sport begins **within three (3) school business days** following the last practice in the previous sport.
- 17.12.5 A coach of a school team (paid or volunteer) may conduct practice only during the WIAA sport season.
- 17.12.6 One (1) day is equal to one (1) practice for purposes of meeting the minimum practice requirements.
- 17.12.7 Schools may conduct practice or contests during any six days of the week.
Practice and/or competition may be held on a nationally recognized holiday.
- 17.12.8 Practice on a game day shall not allow an athlete to become eligible for competition on that day.
- 17.12.9 Participation in pre-contest warm-up exercises shall not count toward the pre-contest practice requirement.
- 17.12.10 Interruption of Pre-contest Practices - If an individual athlete's pre-contest practice is interrupted, the following procedure will be used to assure that an appropriate period of practice precedes interscholastic competition:
- A. An interruption of up to three (3) consecutive school scheduled practice days will have no effect on the previous practice days in determining compliance with pre-contest practice requirements. For example: If an athlete has completed seven (7) days of practice and then did not practice for three (3) consecutive school scheduled practice days, the previous seven (7) days would still count toward the minimum individual practices required before interscholastic competition.
 - B. Beginning with the fourth (4) consecutive school scheduled practice day without practice, the following sliding scale will be used to determine compliance with pre-contest practice requirements. For example: If an athlete had completed six (6) days of practice, then missed five (5), upon return only two (2) practices would be deducted and the athletes would still have four (4) practices toward meeting the minimum pre-contest requirement.

Consecutive Practices Missed	Total Practices Lost
3	0
4	1
5	2
6	3
7	4
8	5
9	6
10	7
11	8
12	9
13	10
14	11
15	12
16	13
17	14
18	15

- C. Once the pre-contest practice requirements have been met, each school has the authority to establish minimum requirements regarding return to play.
- 17.12.11 Practice Accommodations for Circumstances Beyond the Control of the School - A school/school district must request and be approved by the WIAA office staff to adjust the process to meet the minimum practice requirements due to circumstances beyond the control of the school (facilities not available, roads impassable, prohibitive weather conditions, teacher strike/walk-out, emergency conditions, etc.)
The accommodations will be approved in order for a school to offer the minimum number of practices required for a specific sport prior to the first scheduled contest and for no more than one-half the minimum

number of practices. The practice accommodations will not be granted for a jamboree nor for individual athletes on a team.

While the number of pre-contest practices will not be waived, the following rule exceptions regarding pre-contest practice requirements will be allowed in the order listed during the season only after every effort has been made to reschedule the contest(s) that are affected.

- A. Number of practices in a week - exception that will be allowed:
Provided that the local school board approves a practice for a seventh day of the week, that practice can count toward the minimum practice requirements.
If the minimum practice requirement still cannot be met, then the following will be waived:
- B. Practice on a game day – Exception that will be allowed:
A practice may be held on the same day as the first contest, which can count toward the number of required practices.
If the minimum practice requirement still cannot be met, then the following will be waived:
- C. One (1) day is equal to one (1) practice - Exception that will be allowed:
Two (2) practices may be held on the same day and may be counted as two (2) practices for purposes of meeting the number of required practices. In this situation, the maximum number of practices that may be counted is two (2).

- A. An individual who participates in any level of WIAA sanctioned sport postseason playoffs and who cannot meet the minimum practice requirements for the immediate succeeding sport season will be allowed to waive up to a maximum of one-half of the required individual practice days for that sport only if the available team practice days are insufficient to meet the minimum requirement before a scheduled contest and only if practice in the succeeding sport begins immediately following the postseason event.
- B. An individual, who participated and qualified in the alternate (fall) season for a spring state championship and who also participated in a spring sport, will be allowed to waive up to a maximum of one-half of the required individual practice days for the alternate season sport before a scheduled contest in that sport.

17.15.2 Each contest must be credited to a squad.

17.15.3 Practice or scrimmage with another team or school during the regular or postseason must be counted as a contest.

17.15.4 Each individual and squad is limited to participating in only the maximum number of contests allowed for that sport.

17.15.5 When determining contest limitations, any league varsity contest will count as a contest for both schools' varsity teams.

DEFINITION OF VARSITY AND SUBVARSITY SQUADS:

- A. *In a team sport, a varsity squad is the group of individuals who represent a member school at the highest level of competition in a sport.*

- C. The uniform number(s) on the front and back of the jersey must also be visible at all times.

PHILOSOPHY OF JAMBOREES: *The purpose of a jamboree is to provide game-like conditions in a controlled setting so that special emphasis can be placed on safety and the preparation of every student athlete for regular season contests. Jamborees have also been developed to provide an opportunity for participants, coaches, and spectators to learn contest rules from officials.*

- 17.27.0** DEFINITION - An abbreviated interscholastic contest. Also refer to the specific sport rules regarding the definition of a jamboree.
- 17.27.1 A student must meet all eligibility rules in order to participate in a jamboree.
 - 17.27.2 A student may participate in a jamboree the day following eight (8) days of practice.
 - 17.27.3 The jamboree may count toward the minimum practice requirement.
 - 17.27.3 All jamborees are limited to one (1) day.
 - 17.27.4 Jamborees must be conducted within the first three (3) weeks of the fall and winter seasons and within the first four (4) weeks of the spring season. NOTE: The season begins on the first scheduled school practice day.
 - 17.27.5 Three (3) or more schools are involved and each school must play at least two (2) opponents.
 - A. If one (1) of the schools withdraws from the jamboree within four (4) days or less of the jamboree and a replacement school cannot be found, the hosting school may contact the WIAA staff to restructure the event.

- If a school plans to have additional squad(s) in a sport, other than those indicated on the enrollment form, the school must notify the Association Executive Director in writing.
- 17.30.0** **REFUSING TO PLAY** - Individuals or teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

PHILOSOPHY OF CROWD MANAGEMENT: *Each WIAA member school is responsible for managing the student and adult spectators attending an event on behalf of that school. Member schools are expected to promote fairness, equity and safety during all contests. Standards of acceptable behavior at events must be developed and monitored at each event in which the school participates. Inappropriate behavior at an event will cause the school to follow the article regarding rule violations and penalties.*

- 17.32.0** **CROWD CONTROL RESPONSIBILITY** - Member schools are obligated to maintain proper crowd control at all interscholastic activities. The WIAA Executive Board shall have full authority to penalize any member school whose representatives or spectators may be adjudged, upon evidence presented, to have violated these obligations. The Association shall have no responsibility for crowd control or for the actions of school representatives.
- 17.33.0** **ALL STAR CONTESTS** - The WIAA will not sanction all-star contests.
- 17.34.0** **AUTHORITY OF DESIGNATED TEAM PHYSICIANS** - A school may designate a team physician or other designated medical authority to provide medical coverage/services for teams/participants from that school. When present at a contest involving a team/participant for which the physician is responsible, a team physician or designated medical authority shall have the following authority in addition to that normally associated with the practice of medicine and surgery:
- 17.34.1 To determine whether an injured participant for whom the designated medical authority has responsibility may continue in the contest. A coach, official, parent, another physician, or any other person may not overturn the designated medical authority's decision against further participation.
 - 17.34.2 To interrupt a contest if, in the designated medical authority's opinion, continuation would post a significant threat to the safety, health, or life of a competitor, due to an injury to a competitor. Authority to suspend or terminate a contest rests with the game management.
 - 17.34.3 To enter the field of competition as necessary to fulfill required responsibilities.
 - 17.34.4 To consult with designated tournament medical authorities of medical decisions affecting competitors for whom the physician has responsibility.
 - 17.34.5 To provide, when requested by an opposing team, medical coverage/services for that team in the absence of a team designated medical authority from that school.
