The draw for the boys tournament will be conducted first and the boys championship game will be scheduled first during the school years ending with an even number, and the draw for the girls tournament will be conducted first during the school years ending with an odd number.

The 1B, 2A and 3A draws will be conducted first during the school years ending with an even number, and the 2B, 2A and 4A draws will be conducted first during the school years ending with an odd number.

BRACKET DEFINITIONS: The state tournament bracket includes games 1 through 4. The top half bracket includes games 1 and 2, and the bottom half bracket includes games 3 and 4.

1. The winners of the regional games involving the true #1 teams will be considered #1 teams.
2. The winners of the regional games involving #2 teams will be considered #2 teams.
3. The #1 teams will be drawn first for home teams in games 1 through 4. If there are more than four #1 teams, an additional draw between games 1 through 4 will determine which game(s) will involve two #1 teams playing against each other.
4. The #2 teams will be drawn as the visiting teams for games 4 through 1, except for the games involving two #1 teams.
5. Teams from the same district/combined district will not play each other when possible.
