BRACKET DEFINITIONS: The state tournament bracket includes games 1 through 4. The top half bracket includes games 1 and 2, and the bottom half bracket includes games 3 and 4.

1. The winners of the regional games involving the true #1 teams will be considered #1 teams.
2. The winners of the regional games involving #2 teams will be considered #2 teams.
3. The #1 teams will be drawn first for home teams in games 1 through 4. If there are more than four #1 teams, an additional draw between games 1 through 4 will determine which game(s) will involve two #1 teams playing against each other.
4. The #2 teams will be drawn as the visiting teams for games 4 through 1, except for the games involving two #1 teams.
5. Teams from the same district/combined district will not play each other when possible.
