League Tournament and/or District Tournament if other leagues follow suit

Detailed explanation of WHY the request is being made to alter the sport season for this sport, classification and league/district/region:

The 1 week overlap between Season 1 and Season 2 presents facility issues for our schools. As Football and Girls Soccer conclude, Boys Soccer, Track begin and most share their stadium. Boys Tennis concluding and Girls Tennis beginning. Boys Golf concluding and Girls Golf beginning. Both of these present facility conflicts as well coaching conflicts as many coaches are the coach of a Season 2 sport as well.
