### The information below is specific to the request:

**Sport(s) :** All

**Classification(s) :** 2B

**Start date being requested:** 2/15/21

**End date being requested:** 6/19/21

**# of weeks for the requested season:** 6

### Plan for culminating event for the requested season:

League/District Championship or Greatest Number of Allowable Contests

---

### Detailed explanation of WHY the request is being made to alter the sport season for this sport, classification and league/district/region:

Our league would like to have 6 week seasons with no overlap beginning on 2/15 and ending on 6/19. We will follow the WIAA order of seasons and have the possibility of extending spring sports by two weeks if we determine that high-risk indoor winter sports cannot go. Our plan for seasons is: 1 week of pre-contest practice, 4 weeks of league/non-league contests and 1 week of district tournaments. We have 11 schools left in our league after the regionalization, which allows us to keep most of our league schedules intact in all sports.
