League/Regional Championship

Detailed explanation of WHY the request is being made to alter the sport season for this sport, classification and league/district/region:

NW 1-B voted unanimously to support the change/flip of Spring and Fall seasons.

We felt there would be a better chance to compete in the 1st season with Spring sports as it only requires to be in phase 1. This also give more time for fall sports like football that needs to be in phase 2 to compete.

Winter sports would start as scheduled on May 3rd.
