## Form Submission: Request to Change Scheduled Sport Season

2020-21 school year

Date Received : 1/25/2021 14:52:58

---

**League / District Requesting Change:** Northwest B League

**WIAA District:** District 1

**WIAA Region:** Northwest

**Form Completed By:** Nathan Morris

**Role / Job Title:** Athletic Director and League Secretary

---

### The information below is specific to the request:

**Sport(s) :** Track and Field

**Classification(s) :** 1B

**Start date being requested:** Feb 22

**End date being requested:** April 3

**# of weeks for the requested season:** 6

**Plan for culminating event for the requested season:**

District Championship or Regional Championship

---

### Detailed explanation of WHY the request is being made to alter the sport season for this sport, classification and league/district/region:

We can compete in Track and Field while we are still in Phase 1. If we are not in Phase 2 by Feb 22, then the fall season sports (and all the other sports) would get delayed even farther. So we would like to start with a sport that we can do right now.

---

### Indicate who has been involved in this request and their stance on this request :

All the Athletic Directors in the NW B League and the Athletic Directors in the NW 1A/2B League.
