**45.0.0 EJECTION FROM CONTEST**

---

**45.1.0 EJECTION FROM CONTEST** - Conduct resulting in an ejection from an interscholastic contest administered by game officials, coaches or school administrators shall result in the following:

NOTE 1: Two (2) technical assessed during a basketball game are considered to be an ejection.

NOTE 2: Any player who is issued a second yellow card caution in the same soccer match will be disqualified from participating for the remainder of the match. This will not be counted as an ejection and schools will not be required to report it as an ejection.

45.1.1 For the remainder of the contest in which the ejection occurred:

- A. When a student is ejected, the coach continues to be responsible for the student. The student shall remain with the team.
- B. When a coach or other adult school representative is ejected, the coach or other adult school representative must vacate the playing area (gymnasium, field, and stadium.) If a head coach is ejected, an assistant coach or any school district personnel authorized to supervise students may assume the head coaching responsibilities for the remainder of the contest. If no other school district personnel are on site, the contest will be terminated and forfeiture declared.

45.1.2 The school principal/designee is required to submit an ejection report online to the WIAA office within one (1) school business day following the completion of the contest in which the ejection occurred.

45.1.3 The first ejection of the season shall result, at a minimum, in the ejected person (student, coach, other school representative) being **suspended** until after the next school contest in that sport at the same level of competition from which the person was ejected has been completed.

A. An ejection due to violent conduct by a player or a coach shall result in a suspension equal to twenty percent (20%) of the number of allowable contests for that sport as indicated below.

Number of regular season contests in that sport	1-7	8-11	12-15	16-20
Number of contests to fulfill suspension	1	2	3	4

1. Violent conduct is defined as the commission of a violent act against an opponent, official, spectator, teammate or other individual(s) when in or out of play. A player or coach is guilty of violent conduct if they use excessive force or brutality against an opponent when not in the play. They are also guilty of violent conduct if they use excessive force or brutality against a teammate, spectator, official or any other person. Violent conduct may occur either on the field of play or outside its boundaries, whether the person is in play or not.

- B. The WIAA staff and/or WIAA Executive Board may increase a suspension based upon the aggressive conduct, inappropriate language, and/or circumstances following an ejection.
- C. Even though a jamboree does not count as a contest for the purposes of meeting the suspension period, the suspended person is not allowed to participate in a jamboree.
- D. A student who is on suspension may be on the team bench, but not in the school uniform, during the suspension period.
- E. Any coach ejected shall not be involved in coaching to any degree during the contest from which they are suspended and shall not be allowed into the facility (gymnasium, field, stadium, locker room or hallway, etc.) **during a contest** during the suspension period.

Whenever a baseball coach is ejected, a two-part plan that is meant to reduce the number of baseball coach ejections must be completed, which requires an ejected coach to complete the NFHS "Teaching and Modeling Behavior" online course and develop a plan to reduce ejections overall with their athletic director, principal, and superintendent/designee before the coach may be allowed to return to coach.

There is a fee for the course which can be found at <https://nfhslearn.com/courses/teaching-and-modeling-behavior> as well as a link on the WIAA baseball page under "helpful links". The certificate of completion and the plan to reduce ejections must be received by Cindy Adsit, [cadsit@wiaa.com](mailto:cadsit@wiaa.com), before the coach may be allowed to return to coach.

- 45.1.4 Should a participant be unable to complete a suspension during the sports season in which the ejection occurs, the suspension shall be carried over into the participant's succeeding season of participation. In order for the suspension in the succeeding season of participation to meet this requirement, the participant must be a member of the team for the entire season for that sport.
- A. The suspension for violent conduct will be based upon the maximum number of contests allowed to be played in that sport, not the number of contests scheduled or played by the school in that sport.
